Session Description

PLANNING STRATEGICALLY FOR GLOBAL SUCCESS

The Administrator Leadership Symposium will provide district and site leaders with a window into strategic planning processes that are models for sustainable transformation of an entire school district so it can achieve 21st century multilingual excellence and equity for English Learners.

This year’s symposium attendees will hear from the leadership of three California districts about their progress in designing and implementing forward-thinking student-centered strategic initiatives that drive the Local Control and Accountability Plan and that have dramatically changed both the WHAT and the HOW of the districts’ work.

This session will provide an exciting space for district and site leaders to access key information, research, support, and structures to successfully implement globally-competitive schools and funding policies and practices that yield 21st century success for English Learners and all other students.

How Do I Register?

Superintendents, Assistant Superintendents & Board Members are eligible for a one-day complimentary registration.

GO TO WWW.CABE2016.ORG AND REGISTER FOR ALS!

Other district and site leaders are invited to attend if they pay the one-day or full four-day conference fee. Regular registration information and forms can be found at www.cabe2016.org.

What Else is Offered at CABE2016?

Participants of the Administrative Leadership Symposium are invited to take part in other offerings and events at CABE 2016.
